PRICE MATCH & ON TIME FINISH GUARANTEE

Criteria that must be considered when price matching:

- 1. We are Licensed, Bonded, Insured and all our workers are covered by Workers Compensation Insurance—SO YOU ARE NOT AT RISK! You can look up all contractors @ WWW.LNI.WA.GOV to verify license, bond & workers compensation insurance.*
- 2. Same—Written Scope of Work, including preparation, same or equivalent Premium Grade of paint with Manufacturers Warranty, all clean up and disposal included. Similar sized professional companies and we cannot match prices with companies with no employees since they don't have similar expenses for workers.*
- 3. We offer a full written warranty on all work performed. A copy can be provided for your review.*
- 4. ON TIME FINISH GUARANTEE- we pay you \$50/day for everyday late for items within our control. We have a full crew to do your job and finish on time. Not responsible for weather or material delays and weekend days do not count.*
- 5. We provide top quality service and a satisfaction guarantee.*
- 6. We provide EXPERIENCE— We have been in business for 23 years.*
